Commissioner for Patents

Dear Sir:

Applicants believe there is a printing error in signed and dated confirmation (returned with the Notice of Allowance) that Examiner Nguyen considered on December 26, 2004, the references submitted with the Electronic Information Disclosure Statement filed on September 10, 2004. It appears the print-out was cut-off and therefore does not explicitly list one of the references. Applicants include herewith a copy of the electronic 1449 included with the filed eIDS, and request a signed and dated copy be added to the file to avoid possible confusion. Applicants believe no fee is due in connection with this paper, however, the Commissioner is hereby authorized to charge any fee associated with this paper to Deposit Account No. 501430.
